

SANCTION CARD DOs and DON'Ts

Secretaries,

Please ensure that ALL sanction cards are filled out 100%, with up to date, legible information. Actual sanction cards get mailed from National HQ in Arlington, TX directly to the address that the bowler provides.

There are several bowlers within the association who share the same first/last name. It is important that each bowler provides as much information about themselves as possible so that they:

- 1). Are not sold a new membership, ultimately giving them two ID numbers.
- 2). Are not entered into a league as a different person.

Also, please ensure that the Membership Choices section is filled out completely. It will help you as a secretary determine how much money is to be sent over to the association office, and it will help out those at the office that are entering your league(s).

For example, if your league consists of 40 bowlers and only 35 bowlers are paying membership in your league, please indicate on the cards which 35 bowlers are paying and which 5 bowlers are not. Keep the stacks separate, and alphabetize them, if possible. This will ensure a much faster entering process on our part, and a much faster turnaround on receiving sanction cards in the mail.

Please remember, league applications are due to the office WITHIN 30 days of your league start date!!!
Below is an example of what a properly filled out sanction card should look like. Please help us help you. ☺
